1972 Oldsmobile Cutlass Supreme Convertible

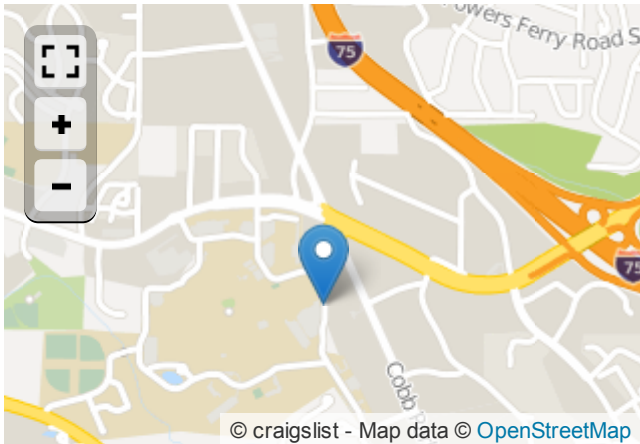

Up for sale is a beautiful red Cutlass Supreme. Very good condition, no rust. Great driver.

- 105k original miles. The odometer rolled over for the first time 5k miles ago. The title shows that in 2009 the car had 99,150 miles.
- White interior is in excellent condition. White top is in good condition for it's age but could use a few repairs.
- Original Rocket 350 and 3 speed automatic. Engine was fully rebuilt roughly 4k miles ago and runs perfect. Transmissions shifts smooth. Hooker headers were added at the time of rebuild but the stock exhaust manifolds will be included with the car.
- Fresh paint

- Front drum brakes were upgraded to discs.
- BF Goodrich Radial TA tires.
- Overall runs and drives very well.
- Car includes a seconds set of Craiger wheels.

To be complete, the car will need a few small things, mostly some exterior trim pieces and repairs on the top. Mechanically the car is very nice and the paint was done very well. Motivated seller with clean title in hand. Asking price is \$14,900 but open to reasonable offers.

Please email if you are interested and we will exchange phone numbers. I do not need help selling.
